TROLLEYS

Perfect for moving the stacking and storage containers easily and rapidly, trolleys provide a rational solution to warehouse storage requirements.

These trolleys are suitable for the metal stacking and storage containers arts. F LS 6500, F LA 6520, F LS 8900, F LS 8100 and F LA 8920.

The plastic stacking and storage containers of the same size can also be transported with this trolley as long as the lowest container that comes into contact with the trolley is made of metal.

 see page H.2 - H.3 for technical specifications
