

SHEET METAL CONTAINERS

STEEL LOAD CAPACITY PLATES

The steel relief printed steel load capacity plates show the name of the maker (FAMI SpA), the load in kilograms, the number of items that can be stacked both when fully loaded and empty and the name of the customer. The plates can be welded to the side of the container in whichever position the customer requires.

Electrophoresis painted in

01 grey
RAL 7000

Please contact FAMI for information on load capacity plates with personalised logo.
Dimensions: mm 215x190h

Please consult the table on the right for non-personalised load capacity plates.
Dimensions: mm 215x190h

The plate is welded to the left-hand side of the front or to the left-hand side of 1 of the 2 long sides

PALLETS

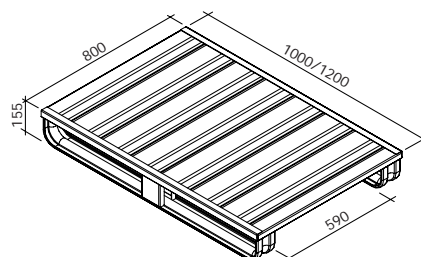

Made from painted sheet steel, these pallets are perfect for handling material with forklift trucks and feature greater load capacity and longer lifetime than traditional wooden pallets.
